

DMKM?

Machine Learning
Data Analysis
Probability & Statistics
Information Retrieval

Subjects

internship

Lots of Data

explore / get knowledge out of data / new intelligent approaches
amounts of data are prodigious

locate information → transform to knowledge

Objectives
is amazing mandatory mobility
enhance knowledge in DMKM domain
new opportunities
intercultural approaches

Culture?

Languages

French

Spanish

Catalan maybe same?

absorb culture better

now in Poland
do know why it's important to know language of host country)

Polish like foreigners who try to speak Polish and open to their culture

University of Lyon

(ULY2)
Data Mining & Complex System Modelling
Lyon

Data Processing
Data Warehousing
Mining complex data

Barcelona (UPC)

Statistical Modelling & Data Mining

Statistical Modelling

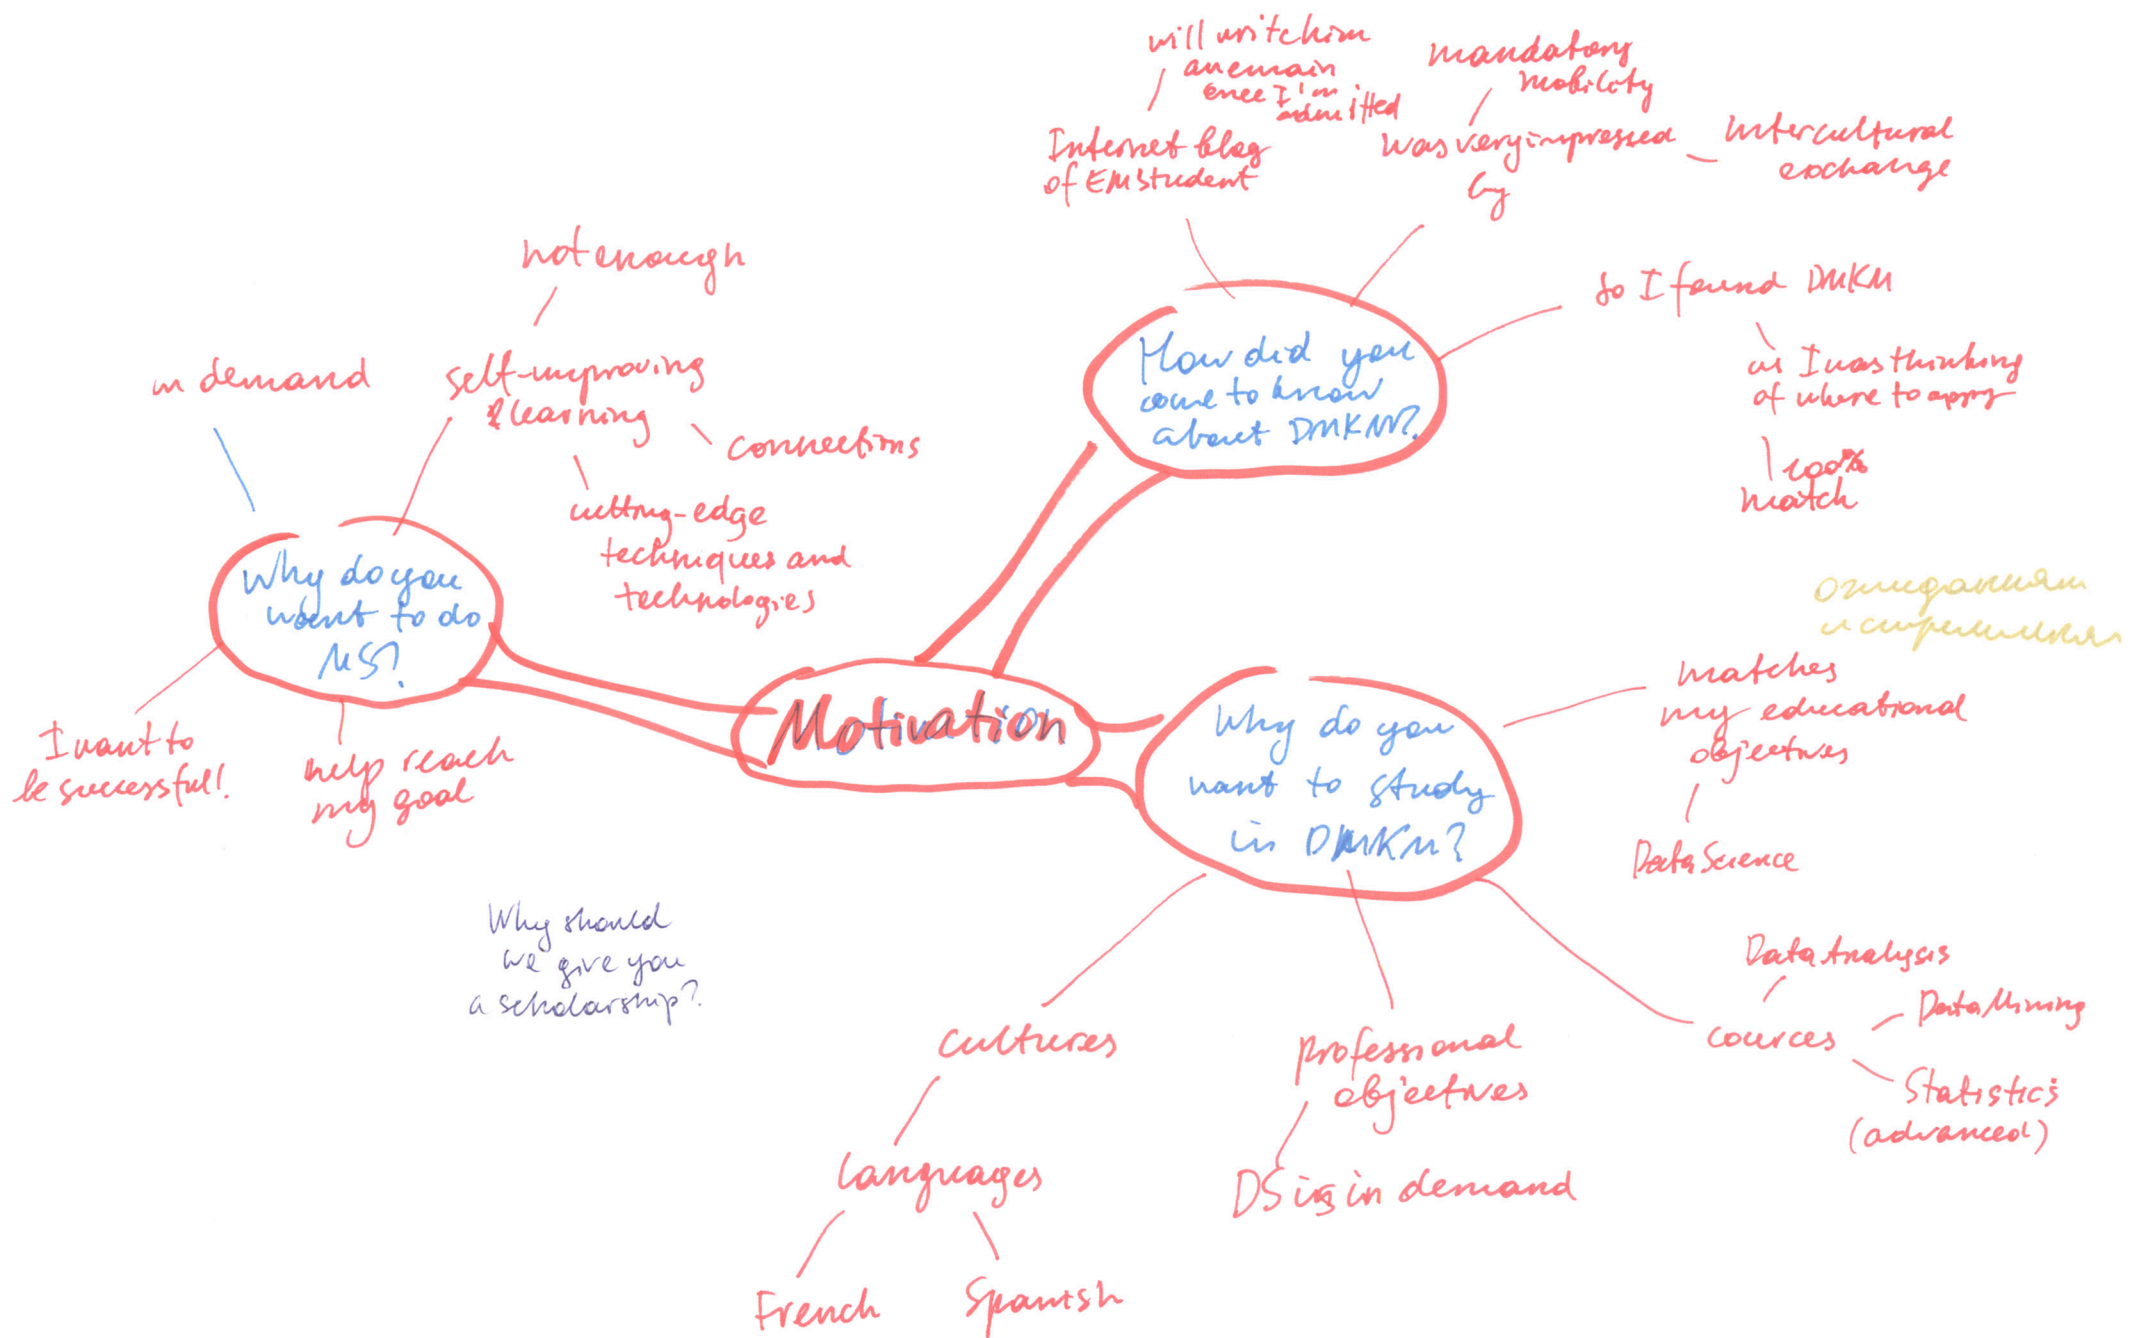

Technical University of Catalonia

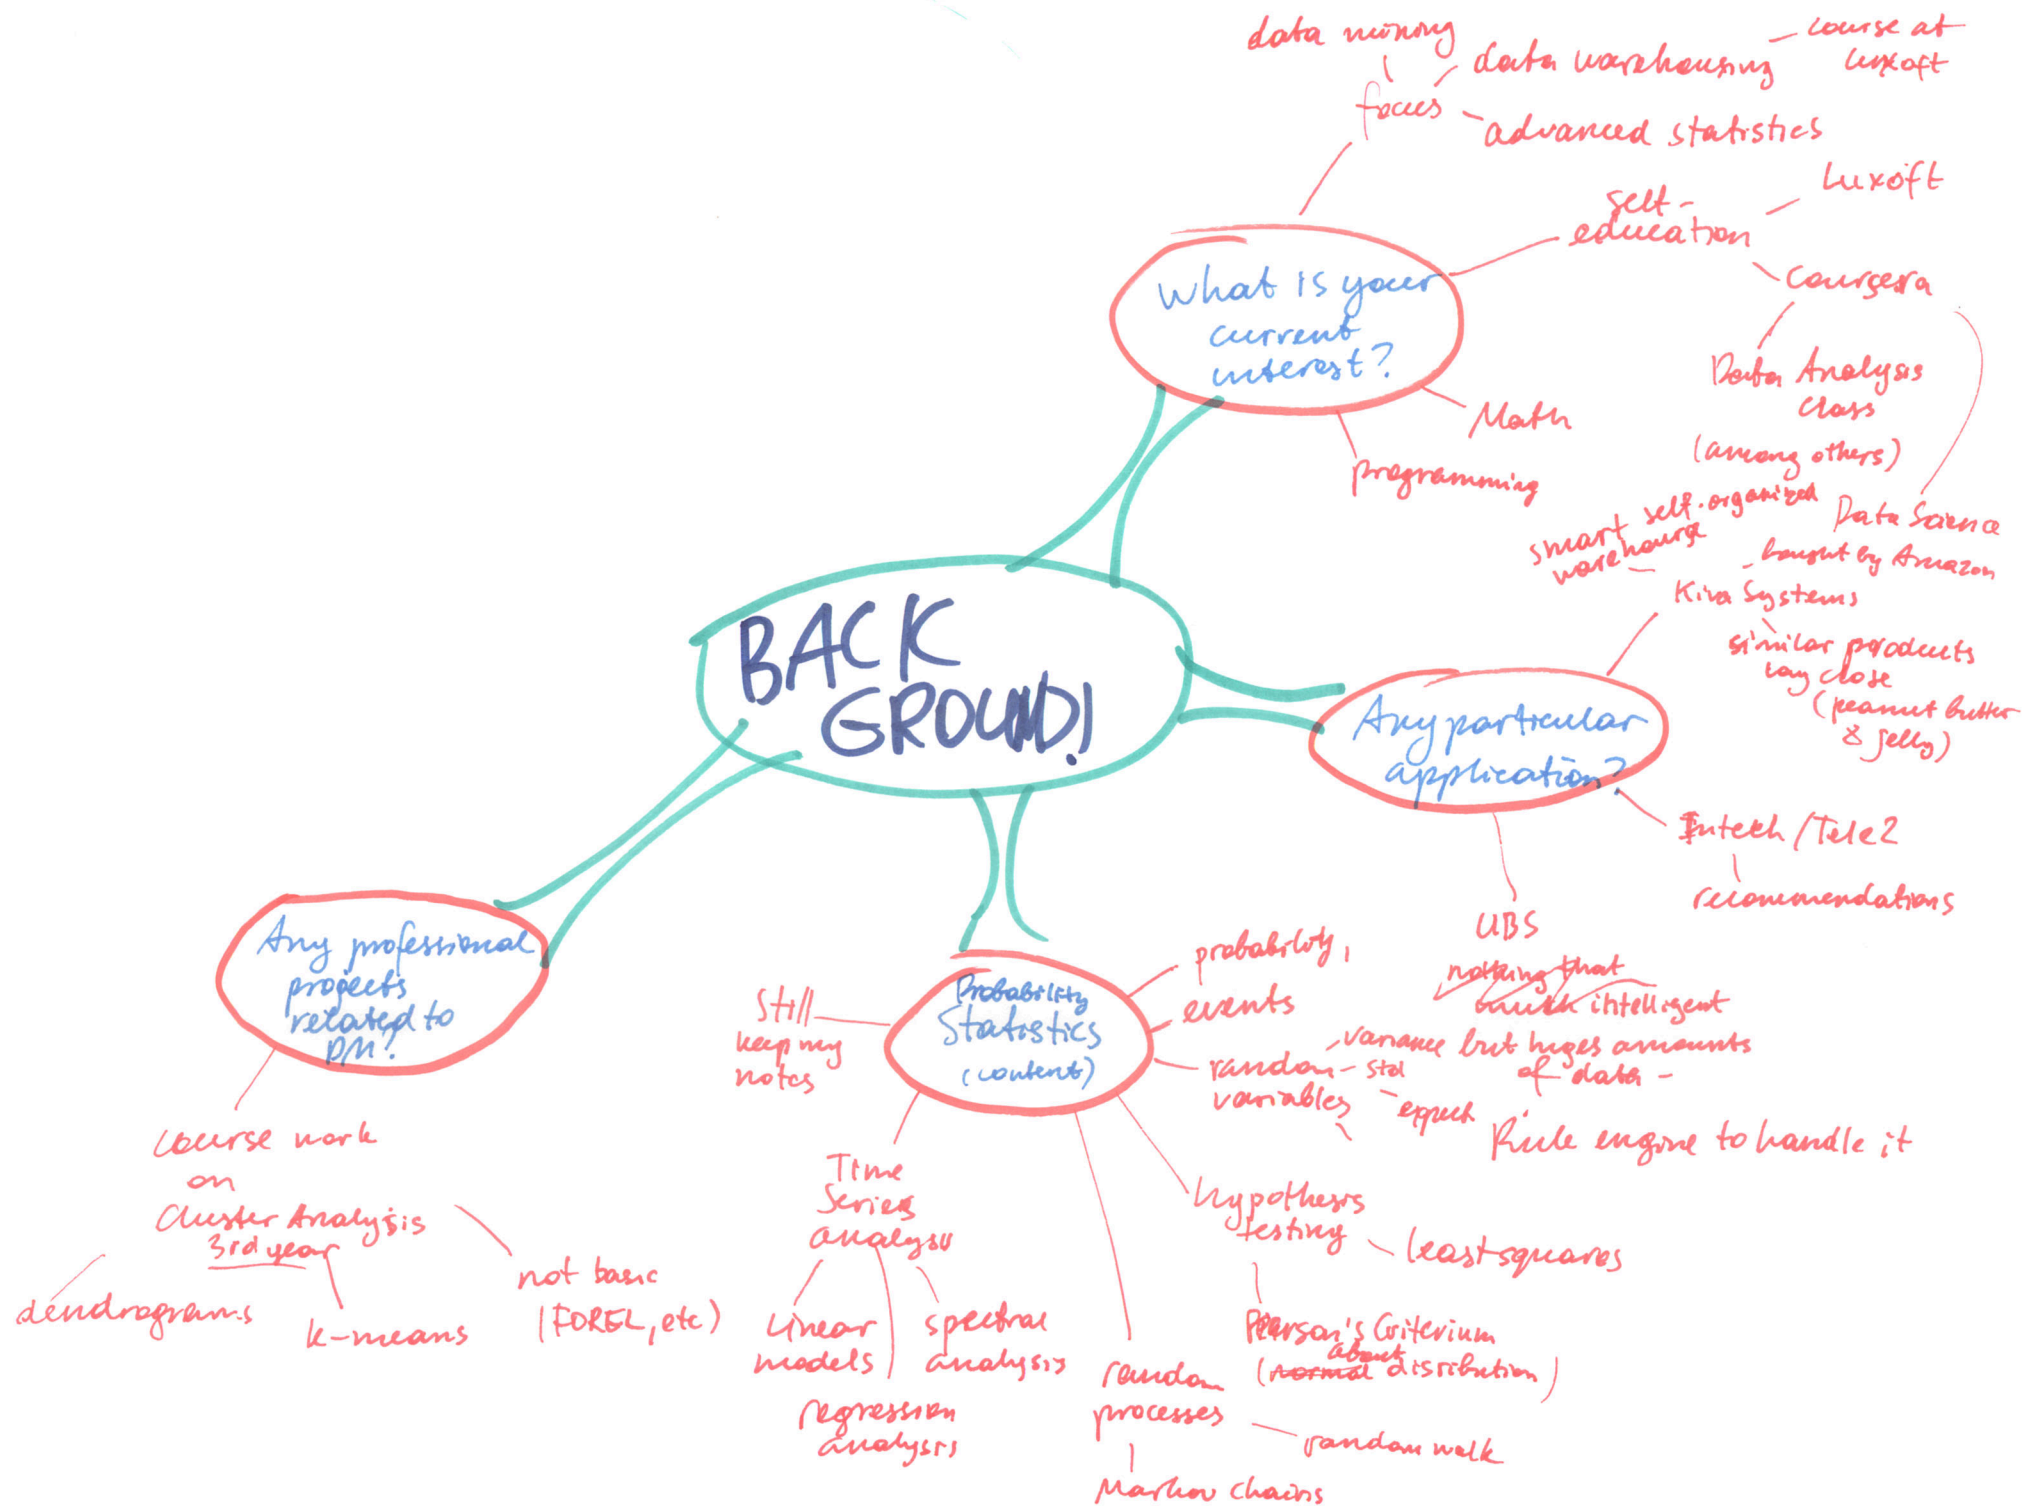

Sightseeing

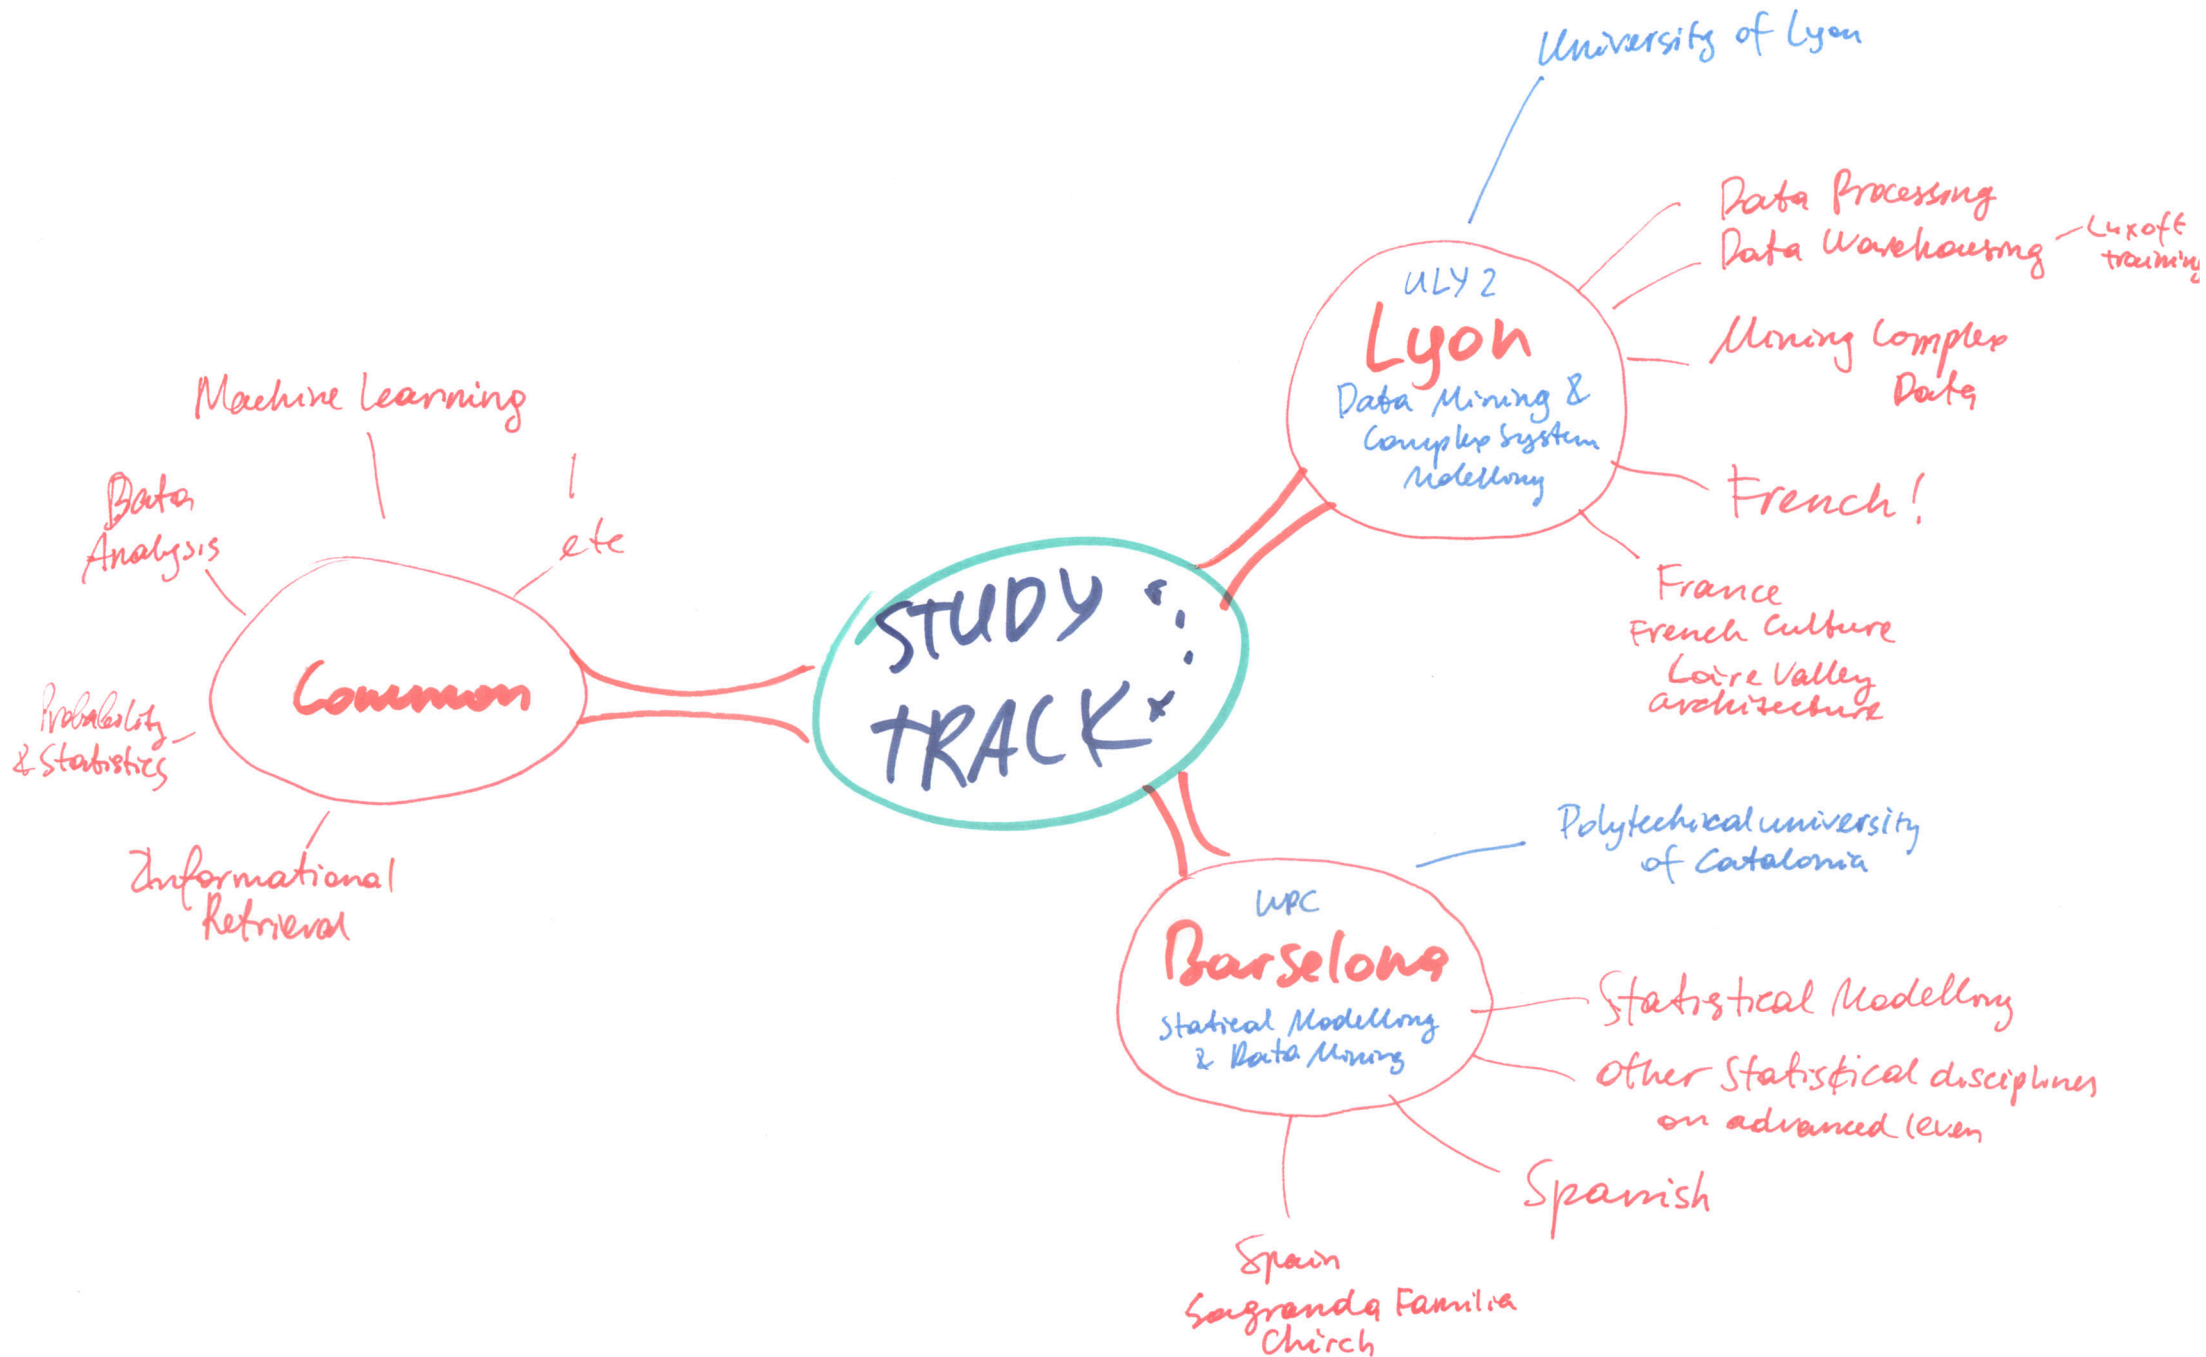

cultural activities organized

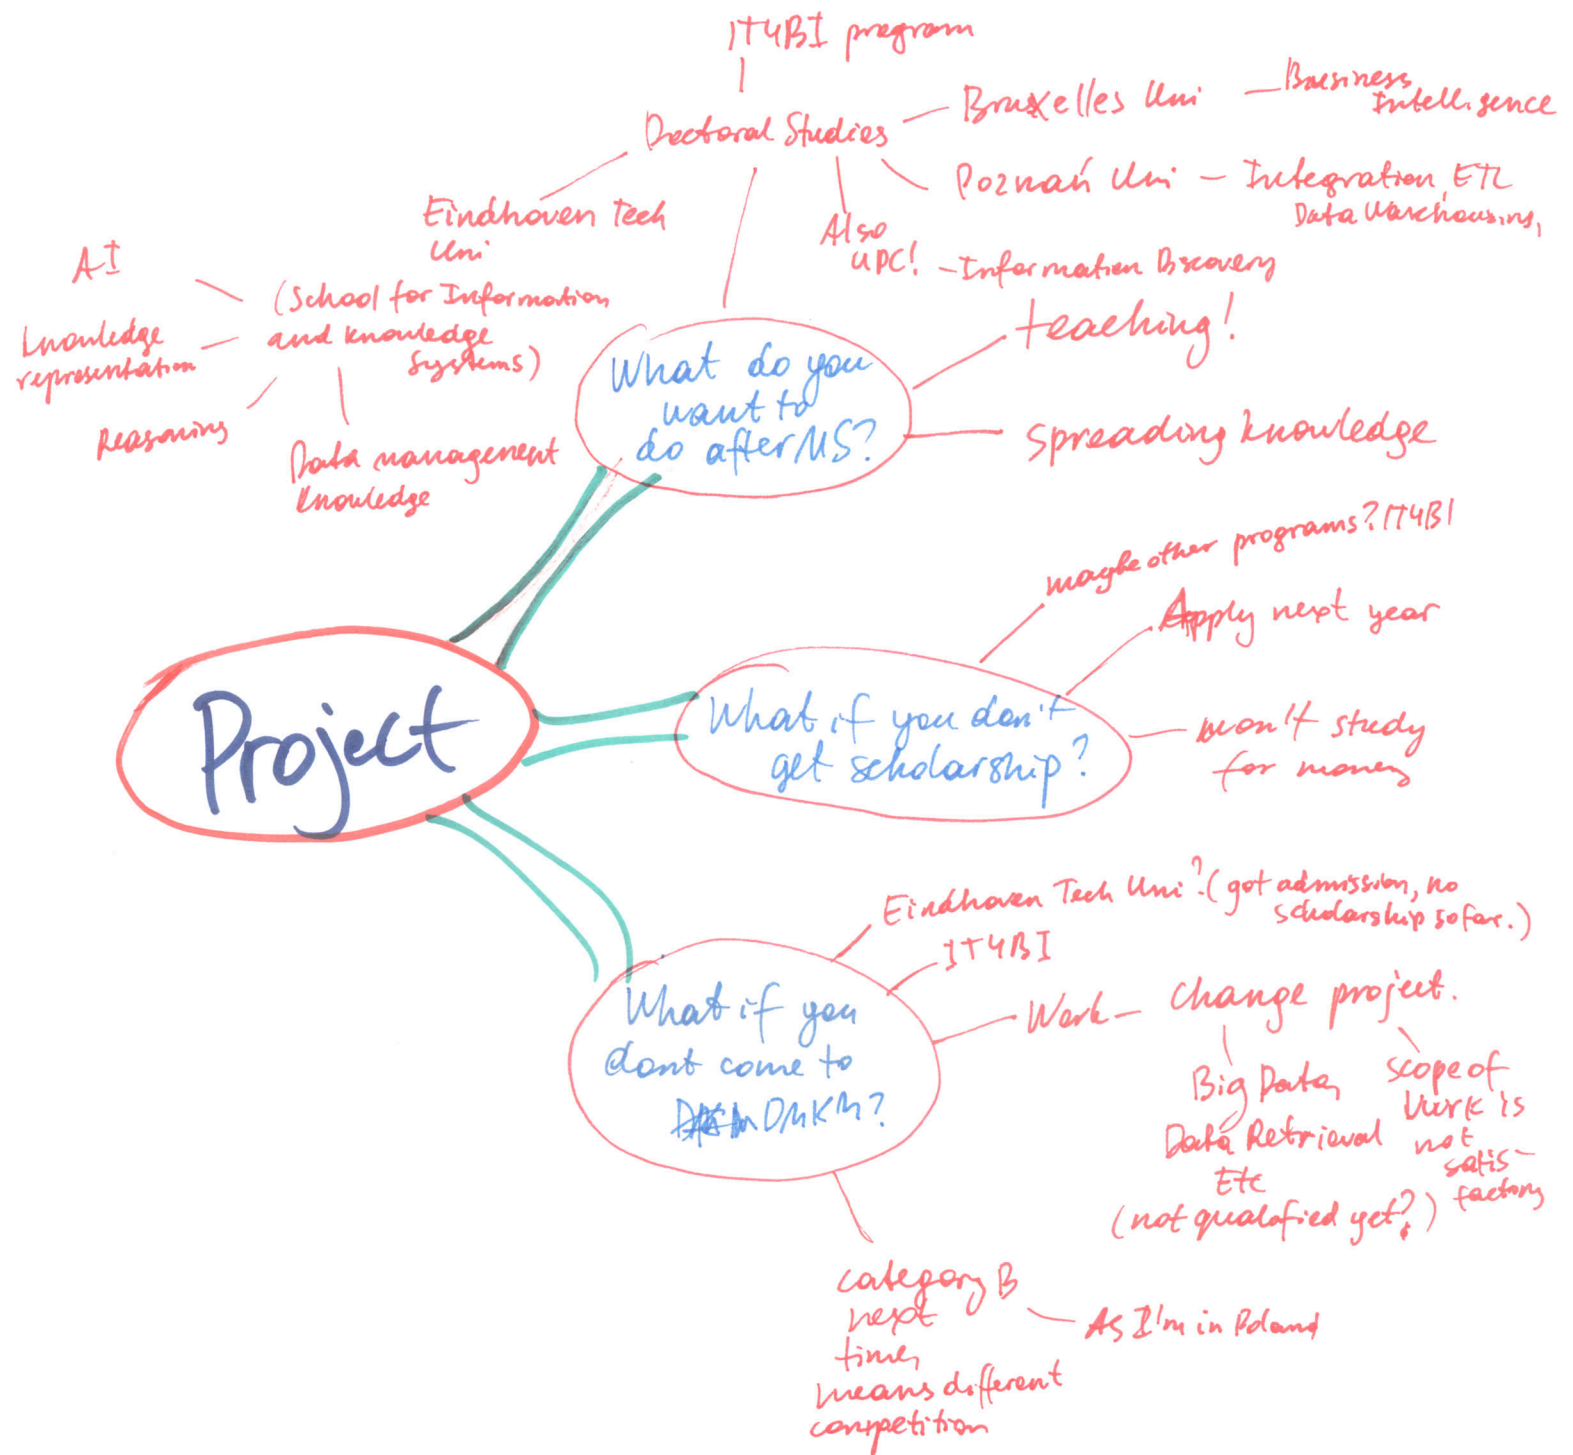

Sagrada Familia Church

Loire Valley
