Dear Alexey Grigorev,

The IT4BI master commission has now considered all applications, and has made the final choice, based on the criteria published on the programme website: <http://it4bi.univ-tours.fr/home/students/admission/>. Many very strong applications have been submitted to the programme, making the selection process highly competitive.

I am sorry to inform you that we are not able to offer you a scholarship yet. Your name is on our reserve list. We'll write again in case one of the students on the main list declines our offer of a scholarship. Should you wish to appeal our decision, the appeal form (available at: http://cs.ulb.ac.be/emundus/images/stories/provided_documents/appealForm.pdf) must be filled and returned to Patrick.Marcel@univ-tours.fr before February 20th, 2013.

Of course, since your level has been considered high enough, you might also attend the IT4BI course without benefiting from an Erasmus Mundus scholarship.

Please let us know if you plan to enroll in IT4BI even if you are not awarded a scholarship by the consortium.

Sincerely,

Esteban Zimányi
IT4BI coordinator
