Certified copies of your academic transcript

If necessary, authenticated translations in English, Dutch or German of your academic transcript

Cumulative or final GPA score

Description of subjects taken during higher education

Two letters of recommendation

Summary of your dissertation/thesis

If you are applying for one of the following TU/e Master's programs you are required to send additional information or documentation. Please complete and print out an additional form and send this to the address above, as part of your application package.

Industrial and Applied Mathematics - Computational Science and Engineering.

Industrial and Applied Mathematics - Discrete Mathematics and Applications.

Industrial and Applied Mathematics - Statistics, Probability and Operations Research.

If you are applying for the Master's in Industrial Design please include a recent digital portfolio.

If you are applying for the Master's in Architecture, building and planning please include a recent digital portfolio.

If you are a student from a non-EEA country and you are applying after February 1, 2013 please also send proof that you have sufficient funds to finance at least the first year of your Master's studies by sending either:

A statement from your bank

OR

Proof that you have applied for a scholarship

Please note: If you do not send all the required documents your application process could be seriously delayed. Are there documents that you are unable to send immediately? If so, please explain why:

I could not send the following documents, because

Cumulative or final GPA score: in Russia we don't have GPA. However, an average mark can be calculated using marks in the transcripts (it's about 4.9 where 5 is the best)

Description of subjects taken during higher education: I'm not sure what it means - the list of the taken subject is in the transcripts

Summary of your dissertation/thesis: Unfortunately, I don't have it in English
