Dear Alexey (admission number: 36777),

Recently, you had a telephone interview with one of our TU/e colleagues following the online questionnaire you had completed for the ALSP scholarship selection.

It is our great pleasure to inform you that you have been awarded an ALSP scholarship to fund your studies on the TU/e Master's program Computer Science and Engineering. Congratulations!

The ALSP scholarship consists of:

- a tuition fee waiver for the nominal duration of the Master's program (which is 2 years)

and

- a contribution to the costs of living in the Netherlands of € 5,000 per year for both of the years of the Master's program (this is a total of € 10,000 contribution to the costs of living).

The remainder of the costs of living (about another € 5,000 per year) in the Netherlands are to be funded by yourself.

We hereby enclose the scholarship contract, which we ask you to read very carefully.

If you are in agreement with the conditions mentioned, please take the following steps to secure your scholarship.

### How to secure your scholarship

Before **15 May 2013** (date of receipt by TU/e) please:

1. Sign and return the entire contract to us, including the Introduction page, by post to the address at the bottom of this email.
2. Transfer a guarantee payment of **€ 450** to secure your scholarship (instead of the € 15.000 fee payment that may have been requested to you earlier).

To transfer the money from a foreign bank account you need to fill in the following on the international bank transfer form at the bank office in your home country:

- bank account number TU/e: 1148.70.438
- name of bank: Rabobank
- beneficiary/remmittee (to whom the payment will be made): Technische Universiteit Eindhoven (please use this Dutch version of the TU/e name as this is registered at the bank)
- IBAN code: NL66 RABO 0114 8704 38
- BIC code: RABONL2U
- City: Eindhoven, the Netherlands
- Address: Postbus 301 – 5600 AH Eindhoven, The Netherlands
- Your full name and date of birth, particularly if someone else is paying your fee. This is so that we can see which student has paid the fee.
- Your admission number (TMO admission number: this number can be found at the top of this email directly after your name).

*When you are arranging the fee payment please ensure that your bank understands that any costs involved in this money transfer is NOT to be charged to the TU/e and that YOU will bear all transfer costs.*

*In other words, you must pay any transfer charges separately. If the fee payment is not paid in full, you will be asked to pay the missing amount in cash (or the amount will be deducted from your scholarship) before you are permitted to enrol at TU/e.*

*Please be aware that the guarantee fee is non-refundable.*

Full information on the ALSP scholarships can be found on the [website](#) and in the attached scholarship contract.

In May we will send you full information on all the practical things to organize before you come to Eindhoven. The TU/e will offer you many services and various forms of support in the transition from your home country to the Netherlands and this support continues throughout your studies at TU/e. In the meantime there is already some information available on [Practical Information](#).

Should you have other questions, please don't hesitate to contact Mirjam Hagoort or Sarah van den Nieuwenhof (on [io@tue.nl](mailto:io@tue.nl)).

We look forward to receiving your signed contract and guarantee fee.

Kind regards,

Dr. K.S. Ali
